

Professional Summary

I'm a fresh graduate with a BE degree from VSMSRKIT, eager to transition into the IT industry. Dedicated and adaptable, I'm excited to apply my skills in Java, HTML, CSS, JavaScript, ReactJs, NextJs, Material UI, and Tailwind to contribute effectively to a team. My goal is to diligently work and develop the necessary skills to excel in this dynamic field, embracing new challenges along the way.

Education

Year	Degree/Examination	Institution/Board	CGPA/Percentage
2021	Bachelor of Engineering (Civil Engineering)	Vsmsrkit,nipani	78.0%
2017	Intermediate (Class XII)	GSS, BELGAVI	65.0%
2015	Matriculation (Class X)	SHRI SAI HIGH SCHOOL	91.2%

Projects

- Reddit Clone | Shital Patil [\(link\)](#)

March 2024 - April 2024

 - **Features:** Simple user authentication, community creation, and effortless post sharing with interactive voting. Engaging discussions with easy commenting, personalized feeds.
 - **Tech Stack:** Frontend built with React, styling implemented using Tailwind CSS, ensuring responsiveness through CSS and frameworks like Tailwind.
 - **Description:** Implemented essential functionalities, including user authentication, login/logout processes, post liking, search capabilities, commenting on posts. The platform showcases a user-friendly replica of a social media experience with attention to detail and strong problem-solving skills evident throughout the development process.
 - **Responsive Design:** Ensured a responsive design that seamlessly adapts to various screen sizes, enhancing the accessibility and user experience on different devices.
- Booking.com | Shital Patil [\(link\)](#)

March 2024 - April 2024

 - **Features:** User authentication, booking for flights, and hotels, search, sort, and filter functionality.
 - **Tech Stack:** React, React Router.
 - **Description:** Booking.com is an online platform that offers flexible booking options like flights and hotels. Booking.com provides a user-friendly website and mobile app interface, allowing travelers to easily search, compare, and book accommodations based on various criteria such as location, price, amenities, and guest reviews.
 - **Responsive Design:** Ensured a responsive design that seamlessly adapts to various screen sizes, enhancing the accessibility and user experience on different devices.

Certifications

- Newton School | Full Stack Development

March 2023

 - **Data Structures and Algorithms:** Acquired knowledge of data structures and algorithms using Java.
 - **MERN Stack Pursuit:** Currently pursuing MERN stack development.
 - **Technical Stack Proficiency:** Gained expertise in **React, JavaScript, HTML, CSS**, and data structures with **Java**.
 - **Contest Participation:** Actively took part in both weekly and monthly contests on the platform.
